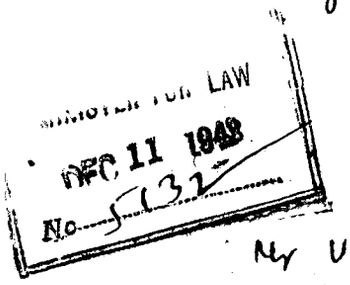
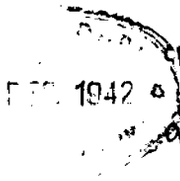
Reservation of Certain areas for the supply of Cocoons to Vellum Parachute Silk Co

2973



Letter dated 3rd Dec 1942 from Mr V. Sundaramurthy, President, Vellum Parachute Silk Co. requesting that necessary arrangements may be made to reserve certain areas for the drawing of cocoons for the use of Vellum Parachute Silk Co.



1) One of the conditions of the Expansion Scheme of Silk Filatures is the zoning of areas for the drawing of cocoons for the filatures under the Scheme. This may be considered when the general question regarding the zoning of areas is taken up. Submitted for orders.

Dear Sir,

As desired by you, I send herewith a statement indicating the area under mulberry, estimated yield of cocoons, number of charka and filature basins and the probable number of filature basins which can be fed by each area. The information has been collected and furnished by the Circle Officers of the Sericultural Department. The yield of cocoons is based on 44,000 acres of mulberry which the area has gone up to over 50,000 acres by end of June 1942 and is still going up. Seed cocoon producing areas are not taken for purposes of calculation.

Yours sincerely,

V.Vedavyasacharya,Esq.,B.A.,

DEPARTMENT OF SERICULTURE.
Mysore State.

Mr.H.S.Govinda Rao,B.A.

Office of the Superintendent of Sericulture in Mysore,
Camp, Bangalore, 17th Feb.1943.

Sericulture.

Dear Sir,

As desired by you, I submit herewith a statement showing the area under mulberry, estimated yield of cocoons, the places where filatures are and would be located, the number of basins, the requirements of cocoons per year when all the filature basins are in full working and the localities from which the filatures have to draw the supplies of reeling cocoons. The zoning indicated now is very general as all the basins will not start work immediately. The zoning will be indicated in great detail before all the basins commence to work in full and when the cocoon markets are established in cocoon producing areas under the cocoon price control scheme. Under the cocoon price control scheme, each filature organisation will be allotted the markets where the cocoons required should be bought.

Yours sincerely,

V.Vedavysacharya,Esq.,B.A.,
Secretary to Government,
